* All JFFD vitamins and minerals are fit for human consumption. For vitamins and minerals sourced by our supplier from a distributor, the country of origin may vary due to natural variation in market demands for that particular vitamin or mineral. All vitamins and minerals sourced directly from the manufacturer will not vary in country of origin. All JFFD vitamins and minerals are always supplied by the same manufacturing facility in California which is certified by NSF International to be in compliance with GMP Requirements in NSF/ANSI Standard 173 Section 8 for Dietary Supplements and registered with the FDA. All supplements are manufactured in compliance to 21 CFR Part 111 cGMP in Manufacturing, Packaging, Labeling or Holding Operations for Dietary Supplements.
